TRANSFORM 21

Powered by Q-Conference

DIGITAL CONFERENCE & EXHIBITION

MAY 19 - 20, 2021

Sponsor/ Exhibitor Prospectus

https://transformvirtual.events/

Welcome

Transform21 is a virtual technology event that will showcase live interactive sessions with some of the industry's leading technology experts, drawn from the world over.

The two-day virtual technology conclave will include sharing of best practices and experiences on SAP and Microsoft Technologies covering Machine Learning, Artificial Intelligence, Robotic Process Automation, and many more – all geared to accelerate your journey towards digital transformation.

Join Transform21 for an enriching knowledge sharing experience with panel discussions and insightful sessions on technology solutions with the best brains in the industry - technology evangelists, industry experts, thought leaders, power users, and subject matter experts.
